Story Bridge Full Closure - April 2026

Essential maintenance works

WHAT WORKS ARE COMING UP?

Traffic impacts on the Story Bridge and Bradfield Highway will occur from **9pm Thursday 2 April to 5am Monday 13 April 2026** for essential maintenance works.

During this period, a **full closure of the Story Bridge** will occur from **9pm Saturday 11 April to 1pm Sunday 12 April 2026**.

Some temporary closures of the eastern footpath will be required at night during this period. Detour signage will be in place to direct pedestrians, cyclists and e-mobility riders as required.

These essential works have been planned to occur during the April Easter school holiday period when traffic volumes are lower and to coincide with the closure of the bridge for the Tour de Brisbane Cycling event on Sunday 12 April 2026.

WHEN WILL THIS WORK TAKE PLACE?

Start	9pm Thursday 2 April 2026
Finish	5am Monday 13 April 2026
Time	24 hours per day

WHAT DOES THIS WORK INCLUDE?

Concrete repair works will occur beneath the road surface on the Bradfield Highway section of the Story Bridge at Kangaroo Point.

The concrete repair works will not be seen from the road.

Traffic lane closures, including a full bridge closure, are required to ensure the safety of road users and workers, and to reduce vibrations during concrete curing.

Bridge inspections and other minor maintenance activities will be undertaken during the lane closures and full bridge closure.

WHY IS THIS WORK HAPPENING?

The concrete repair works are needed to maintain the bridge's structural integrity and keep it in serviceable condition.

WHAT DOES THIS MEAN FOR ME?

If you live in or are travelling through the area, you may experience:

- travel delays due to lane closures
- localised traffic changes
- changed Council bus services
- noise from these works.
