Plan ahead for major road impacts during the Sunday Mail Transurban Bridge to Brisbane

The Sunday Mail Transurban Bridge to Brisbane fun run is again returning to the iconic Gateway Bridge on Sunday 28 August 2022. While the race is being run, there will be closures on major roads around Brisbane including:

- Gateway Motorway southbound between Nudgee and Murarrie
- Sir Leo Hielscher (Gateway) bridge southbound
- Inner City Bypass
- AirportlinkM7 Campbell Street on and off ramps.

As the operator of Linkt roads in Brisbane including the Gateway Bridge, we're working with the event organisers to minimise disruptions to motorists and ensure these roads are re-opened quickly and safely.

To keep Brisbane motorists moving while the southbound Gateway Bridge is closed, **AirportlinkM7 and Clem7 southbound tunnels will be toll free on Sunday 28 August 2022 between 5am and 9:30am.**

Heavy vehicles carrying oversized loads or dangerous goods will need to plan ahead to avoid travelling during this time, or park at the Nudgee Service Centre until the bridge reopens.
